前 言

Introduction

尊敬的参展商：

Dear exhibitors,

经批准，商务部和海南省人民政府将于 2021 年 5 月 7 日至 10 日在海南共同举办首届中国国际消费品博览会（以下简称消博会）。这是全国首个以消费精品为主题的国家级展会。

The Ministry of Commerce and the People's Government of Hainan Province will jointly host the first China International Consumer Products Expo (hereinafter "Hainan Expo") in Hainan from May 7 to 10, 2021 with the approval. This is the first national exhibition with the theme of consumer products in China.

举办消博会是落实习近平总书记“4.13”重要讲话、中央 12 号文件和《海南自由贸易港建设总体方案》精神的重要举措，是建设国际旅游消费中心和扩大对外开放、提升海南自贸港国际影响力的重要抓手。目前，各方正致力于将消博会打造成为构建以国内大循环为主体、国内国际双循环相互促进新发展格局的重要国家级开放平台，打造成优化国内消费领域供给侧改革、促进境外消费回流和推动国内消费转型升级的重要载体。

The Hainan Expo is an important move to follow the guidelines of General Secretary Xi Jinping's important speech made on Apr. 13, the No. 12 Central Document and the *Overall Plan for the Construction of*

Hainan Free Trade Port. It is also an important measure to build an international tourist consumption center, open wider to the world, and raise the global visibility of Hainan Free Trade Port. At present, all parties are working to make the Hainan Expo as an important national open platform that promotes a dual-cycle development pattern relying on both domestic and international economic cycles, with the domestic cycle being the mainstay, and as an important vehicle to optimize the supply-side reform of the domestic consumption field, facilitate the return of overseas consumption to China, and drive the transformation and upgrading of domestic consumption.

消博会聚焦“新、特、优”消费精品，汇聚全球消费领域优质资源和知名企业，打造全球消费精品展示、交流和交易的平台，为全球参展参会客商分享海南自贸港未来发展机遇提供服务。

Focusing on “new, featured and excellent” consumer products, Hainan Expo brings together high-quality resources and well-known companies in the global consumer sector, builds a platform for display, exchanges and transactions of global consumer products, and serves global exhibitors and merchants in sharing the future development opportunities presented by Hainan Free Trade Port.

诚挚感谢您参加消博会，我们将在海口市欢迎您的到来！
